

## ARLINGTON COUNTY, VIRGINIA

### County Board Agenda Item Meeting of December 9, 2006

**DATE:** December 1, 2006

**SUBJECT:** U-2886-93-3 USE PERMIT REVIEW of condition #4 pertaining to the off duty police officer at premises known as 2854 Wilson Blvd. (Whitlow's) (RPC #18-10-008)

**Applicant:**

Whitlow's on Wilson  
2854 Wilson Boulevard  
Arlington, VA 22201

**By:**

Greg Cahill

**C.M. RECOMMENDATION:**

Delete Condition #4 (Whitlow's on Wilson) regarding an off-duty police.

**SUMMARY:** This is a review of Condition #4 of the use permit that required the presence of an off-duty police officer at the restaurant on evenings when live entertainment was provided. In May 2006, the County Board suspended the requirement of Condition #4. Since July 1, 2006, the effective date of the condition suspension, there has not been an increase in calls for service related to the live entertainment use permit. Response times have been reported to have decreased and the visibility of the police has increased. Therefore, staff recommends that the County Board delete Condition #4 which required an off-duty police officer.

**BACKGROUND:** In the fall of 2005, the applicant submitted an application for a use permit amendment to eliminate Condition #4 which required an off-duty police officer to be stationed outside of the restaurant on evenings when live entertainment was provided. The condition reads as follows:

4. During evenings of live entertainment, the applicant shall provide at least one off-duty police officer between the hours of 11 p.m. and 2:30 a.m. The officer shall be assigned specifically to the applicant's business. No officer is necessary during those evenings when exclusively acoustic or primarily acoustic performances are scheduled.

County Manager: \_\_\_\_\_

Staff: Jill Griffin, DCPHD, Planning Division

PLA-4571

At its public hearing in October 2005 to address the applicant's request, the County Board deferred action to the May 2006 meeting and requested that staff work with the community and the applicant to determine an appropriate solution which could be met within the budget. In May 2006, the County Board, after approving budget items for additional police officers, suspended the requirement for the applicant to have an off-duty police officer for a period of six months, effective July 1, 2006, and with a review in December 2006.

**DISCUSSION:** In May 2006, the County Board suspended the requirement to allow the applicant, the Neighborhood Advisory Group, nearby civic associations and staff to more closely monitor the impacts, if any, of releasing Whitlow's from the requirement of an off-duty officer. In suspending the condition, the County Board recognized that the additional county resources in the Police Department would maximize flexibility, increase efficiency, and provide greater visibility not currently provided through a stationary off-duty police officer.

Upon reviewing police records for the past six months and meeting with community representatives, staff has determined that relief of the condition has not contributed to any additional calls for service. In fact, there have been reports that the response time is greater and police visibility has increased since July 2006.

**CONCLUSION:** With the added police presence in the Clarendon area, the continued discussion with the Clarendon Live Entertainment Neighborhood Advisory Group, and annual reviews of the use permits and site plan amendment for live entertainment, staff concludes that the requirements of Condition #4 are not necessary. Therefore, staff recommends that the County Board delete Condition #4.

Approved Conditions:

1. On Sundays, Mondays, and Tuesdays, live entertainment shall be limited to exclusively acoustic music. On Wednesdays, live entertainment shall be limited to primarily acoustic music ("Primarily acoustic" envisions a mixture of acoustic and electric instruments playing in what would still be considered an "acoustic" setting where non-acoustic instruments would play softly enough so as not to overwhelm the acoustic instruments in the group. One example is a Jazz combo with an electric guitarist. Another is a Bluegrass band with an electric bass.) Live entertainment shall be limited to the hours between 6:00 p.m. and midnight on Sundays, Mondays, Wednesdays, and Thursdays. All amplified live entertainment shall be limited to Thursday, Friday, and Saturday evenings and New Year's Eve. Live entertainment on Fridays, Saturdays and New Year's Eve shall be limited to the hours between 6:00 p.m. and 1:00 a.m. There shall be no amplified music after 11:00 p.m. in rooms, such as the Sand Bar, which have not received the full noise abatement treatment ("Full noise abatement treatment" includes two layers of acoustic draping, double-glazed tempered glass, and acoustical sound tiles).
2. The applicant shall post signs inside the restaurant that are clearly visible to patrons, discouraging parking within the residential neighborhood across Wilson Boulevard from the site. Information on parking should also be posted on their website.
3. The applicant shall designate a neighborhood liaison or liaisons to communicate with nearby residents and neighbors to address concerns, which may be related to the live entertainment. Whitlow's will address late-night complaints about loud music immediately upon receiving the complaint. The restaurant owner, manager, or other company representative shall be available during the hours of live entertainment to address concerns from citizens by telephone or in attendance. The name and telephone number of the liaison(s) shall be submitted by the applicant to the President of the Clarendon-Courthouse Civic Association, the Lyon Village Citizens Association, and the Zoning Administrator.
4. During evenings of live entertainment, the applicant shall provide at least one off-duty police officer between the hours of 11:00 p.m. and 2:30 a.m. The officer shall be assigned specifically to the applicant's business. No officer is necessary during those evenings when exclusively acoustic or primarily acoustic performances are scheduled.
5. All bands shall use the Whitlow's side door on Fillmore Street to load their equipment after completing their performance(s).
6. All doors, windows, or other openings shall remain closed during the hours of live entertainment. All acoustic drapes shall also remain closed during hours of live entertainment.
7. The applicant shall agree to pick up litter along North Fillmore Street between Clarendon Boulevard and North Franklin Street, on Monday and Friday, Saturday and

Sunday mornings. Such trash shall be picked up following close of business on Thursday, Friday and Saturday nights and before 9:00 a.m. the following morning. Trash will include bottles, cans, and any other trash that can be reasonably linked to the applicant's patrons.

8. Whitlow's will work with the Lyon Village Citizens Association to develop a sound management plan which assures that sound from all live entertainment does not create a noise disturbance, as determined in accordance with measurement standards agreed upon by Whitlow's and the Lyon Village Citizens Association, within the nearby residential area. More specifically:
  - a. Whitlow's will work with nearby neighbors to pre-determine which frequency/decibel levels can be heard within their homes and/or cause a noise disturbance in the neighborhood.
  - b. Whitlow's will use these pre-determined levels to monitor and adjust the live entertainment sounds.
  - c. Whitlow's will respond immediately to complaints from neighbors about music emanating from Whitlow's and take measures to adjust the live entertainment sounds to acceptable levels.
  - d. Whitlow's will book bands according to their ability to comply with these noise requirements.
  - e. Monitoring of and compliance with the sound management plan shall be the responsibility of the Lyon Village Citizens Association, and not Arlington County, in accordance with measurement standards agreed upon by Whitlow's and the Lyon Village Citizens Association, and as set forth in the sound management plan. The sound management plan does not exempt Whitlow's from compliance with applicable Arlington County Code ordinances and enforcement.
  
9. The applicant agrees to participate in the establishment of a neighborhood advisory group consisting of representatives of the Clarendon Grill, Whitlows on Wilson, Mr. Days Sports and Rock Cafe, the Clarendon Alliance, the Clarendon-Courthouse Civic Association, the Lyon Village Citizens Association, the Lyon Park Civic Association and representatives of various County staff including Police, Code Enforcement, and Planning. The proposed advisory group would meet quarterly to work through issues associated with the live entertainment uses.
