Arlington, Virginia 22201

C.M. RECOMMENDATION:
Renew, subject to one (1) revised condition, which applies solely to this request, with a County Board review in five (5) years (April 2011).

ISSUES: None.

SUMMARY: Plaza Associates requests renewal of a site plan amendment for the University of Oklahoma to continue their education use within a space designated for retail use within Crystal Plaza. The conversion of approximately 1,945 square feet of retail space to educational use for the university was approved by the County Board in May 2001. The university continues to operate in compliance with the approved site plan amendment. The current lease term expires in March 2011. Therefore, staff recommends that the educational use be renewed, subject to one revised condition, which applies solely to this request, and with a review by the County Board in five (5) years (April 2011).

BACKGROUND: The original site plan for the Crystal Plaza Complex was approved in August 1963. The County Board approved the site plan for an office complex comprised of six buildings. The site plan was approved with retail uses at the ground floor level and offices use above the first level of the building. Subsequent site plan amendments over the past 40 years revised the plaza site plan to reduce building height, reconfigure interior tenant space, reallocate parking space, incorporate additional residential buildings, erect signs, and upgrade the retail uses along Crystal Drive.

County Manager: _____________
Staff: Rasheda R. DuPree, DCPHD, Planning Division
PLA-4394
In addition to the above modifications, site plan amendments have included requests to convert ground floor retail to either office or educational uses. In May 1997, the County Board approved a site plan amendment to convert 1,103 square feet from retail to office use limited to a five (5) year period. On November 13, 1999, The Institute for the Psychological Sciences was granted a site plan amendment, which was renewed in October 2005, to convert 3,748 square feet from retail to an educational use on the ground floor level of Crystal Plaza One. Finally, on May 9, 2001, the County Board approved the conversion of 1,945 square feet of ground floor retail use to an educational use for the University of Oklahoma for a period of five years.

The University of Oklahoma provides advanced degrees in Art, Public Administration, and International Relations from its Crystal City education center. The program offers instruction to twenty students each semester and confers Master of Art & Communication, Master of Public Administration, and Master of Art & International Relations degrees. There is currently a total of six faculty which staff the program for each of the six one-week courses. Classes are scheduled on Mondays through Fridays from 6 p.m. to 9 p.m., and Saturdays and Sundays from 9 a.m. to 5 p.m. Students currently either park in the garage on site or take Metro, so there is no impact on existing street parking inventory.

**DISCUSSION:** In April 2006, the university renewed its lease with Plaza Associates for an additional five-year term through March 2011. Plaza Associates seeks renewal of the approved site plan amendment to allow the educational use to remain at this location through the end of the lease term. The space lacks direct street frontage and is therefore not a viable location for retail use. Staff generally has concerns regarding the conversion of ground-floor retail space. However, the remote location of this space from the successful retail along Crystal Drive and 23rd Street South and its lack of direct street frontage, make it infeasible to support retail use at this location. Since the prior review, the redesign of the Crystal Drive and 23rd Street retail areas has been successfully implemented and has demonstrated effective use of ground floor space dedicated to retail and restaurant use. Additionally, Arlington has commenced a planning study of the Crystal City area. It is anticipated that this study will identify appropriate locations for retail.

**Since the Last Review in May 2001:**

**Site Plan Amendment Conditions:** The site is in compliance with all site plan conditions.

**Site Plan Inspector:** The Site Plan Inspector states that there are no issues regarding the continuation of the educational use.

**Fire Marshal’s Office:** The Fire Marshal’s office did not express any concerns regarding the continuation of the educational use.

**Police Department:** The Police Department did not express any concerns regarding the continuation of the educational use.

**Civic Associations:** The parcel is not located within a civic association boundary. However, the site is close to the Aurora Highlands Civic Association boundary and the Aurora
Highlands Neighborhood Conservation Advisory Committee. Neither of these organizations has expressed any objections to the continuation of the educational use.

**CONCLUSION:** Staff finds that the continued concentration of retail uses along Crystal Drive and the close proximity of retail supporting uses make the remote location of this site infeasible for successful retail use. Therefore, staff recommends renewal of the approved site plan amendment for educational use, subject to one revised condition, which applies solely to this request, and with a review by the County Board in five years (April 2011).

Revised Condition:
1. The applicant agrees that the 1,945 square feet of retail space shall be converted to school use through [April 2011 May 2006] for the sole use of the University of Oklahoma. The use shall be reviewed by the County Board in [April 2011 May 2006] at which time, if appropriate, the applicant could request continuation of the conversion.
PREVIOUS COUNTY BOARD ACTIONS:

August 10, 1963
Approved a rezoning from "M-2" to "C-O."
Approved a site plan (SP #11) for a six-building office complex.

April 4, 1964
Approved a site plan amendment (SP #11) to modify subdivision lines, reduce building heights and bulk, and modify location of parking.

December 12, 1964
Approved rezoning a portion of site from "C-O" to "RA-4.8" (2021 & 2201 Jeff. Davis Hwy.).
Approved a site plan amendment (SP #11) to add two residential buildings to the approved site plan.

March 6, 1965
Approved a GLUP Amendment from "Industrial" to "Offices and Apartments."

April 10, 1965
Approved a site plan amendment (SP #11) for the office building complex regarding parking.

July 24, 1965
Approved a site plan amendment (SP #11) for a temporary building to house model apartments.

September 11, 1965
Approved a site plan amendment (SP #11) for a sign for the temporary building.

December 18, 1965
Approved a site plan amendment (SP #11) to increase the size of the four office buildings and an option to construct a parking deck.

June 4, 1966
Approved a site plan amendment (SP #11) to revise the parking, and construct a 6,080 square foot ice skating rink on the first basement level, two (2) machinery areas and a 1,440 square foot equipment room on the second basement level.

July 30, 1966
Approved a site plan amendment (SP #11) for signage for the residential buildings.

September 10, 1966
Approved a site plan amendment (SP #11) for the Crystal Plaza South residential building to convert 2 units to a dental office and a central telephone exchange.
