SUBJECT: SP#105 SITE PLAN AMENDMENT REVIEW for live entertainment at 1301 South Joyce Street (Siné Restaurant) (RPC #35-010-032)

Applicant:
Mary Beth Brown, Manager
1301 South Joyce Street
Arlington, Virginia 22202

C.M. RECOMMENDATION:

Renew, subject to all previous conditions with a County Board review in five (5) years (July 2011).

ISSUES: None.

SUMMARY: The County Board approved live entertainment at Siné Restaurant in April 2002. The restaurant, located at Pentagon Row, has operated successfully since the last review, and staff has not received complaints regarding this use. Therefore, staff recommends renewal of the site plan amendment with a County Board review in five (5) years.

BACKGROUND: The original live entertainment hours were approved for between 9 p.m. and 1 a.m. daily. In April 2003, the County Board approved a site plan amendment to extend live entertainment hours to between 6 p.m. and 1 a.m. daily and from noon to 1 a.m. on St. Patrick’s Day. The County Board required a three-month review to allow the applicant to correct violations related to excessive noise. In July 2003, the restaurant was found to have no violations and was continued for three (3) years to the July 2006 County Board meeting.

DISCUSSION:
Since the Last Review (April 2003):

Site Plan Amendment Conditions: The site is in compliance with all site plan conditions.

Site Plan Inspector: The Site Plan Inspector states that there have been no complaints or violations at Siné.
Fire Marshal’s Office: The Fire Marshal’s office has not expressed any concerns regarding the continuation of the live entertainment use.

Police Department: The Police Department has not expressed any concerns regarding the continuation of the live entertainment use.

Civic Association: The site is located in the Aurora Highlands Civic Association and is contiguous to the Arlington Ridge Civic Association. Neither association has expressed any concerns regarding the continuation of the live entertainment use.

State ABC Board: The State ABC staff has not expressed any concerns regarding the continuation of the live entertainment.

CONCLUSION: Siné continues to operate in compliance with approved site plan conditions. The restaurant is located on an active retail streetscape and is compatible with other surrounding uses. Although located adjacent to residential use, staff has not received any recent complaints from the adjacent residents. Therefore, staff recommends that the site plan amendment be renewed, subject to all previous conditions, and with a County Board review in five (5) years (July 2011).
