

# South 12<sup>th</sup> Street Improvements - Eads to Clark

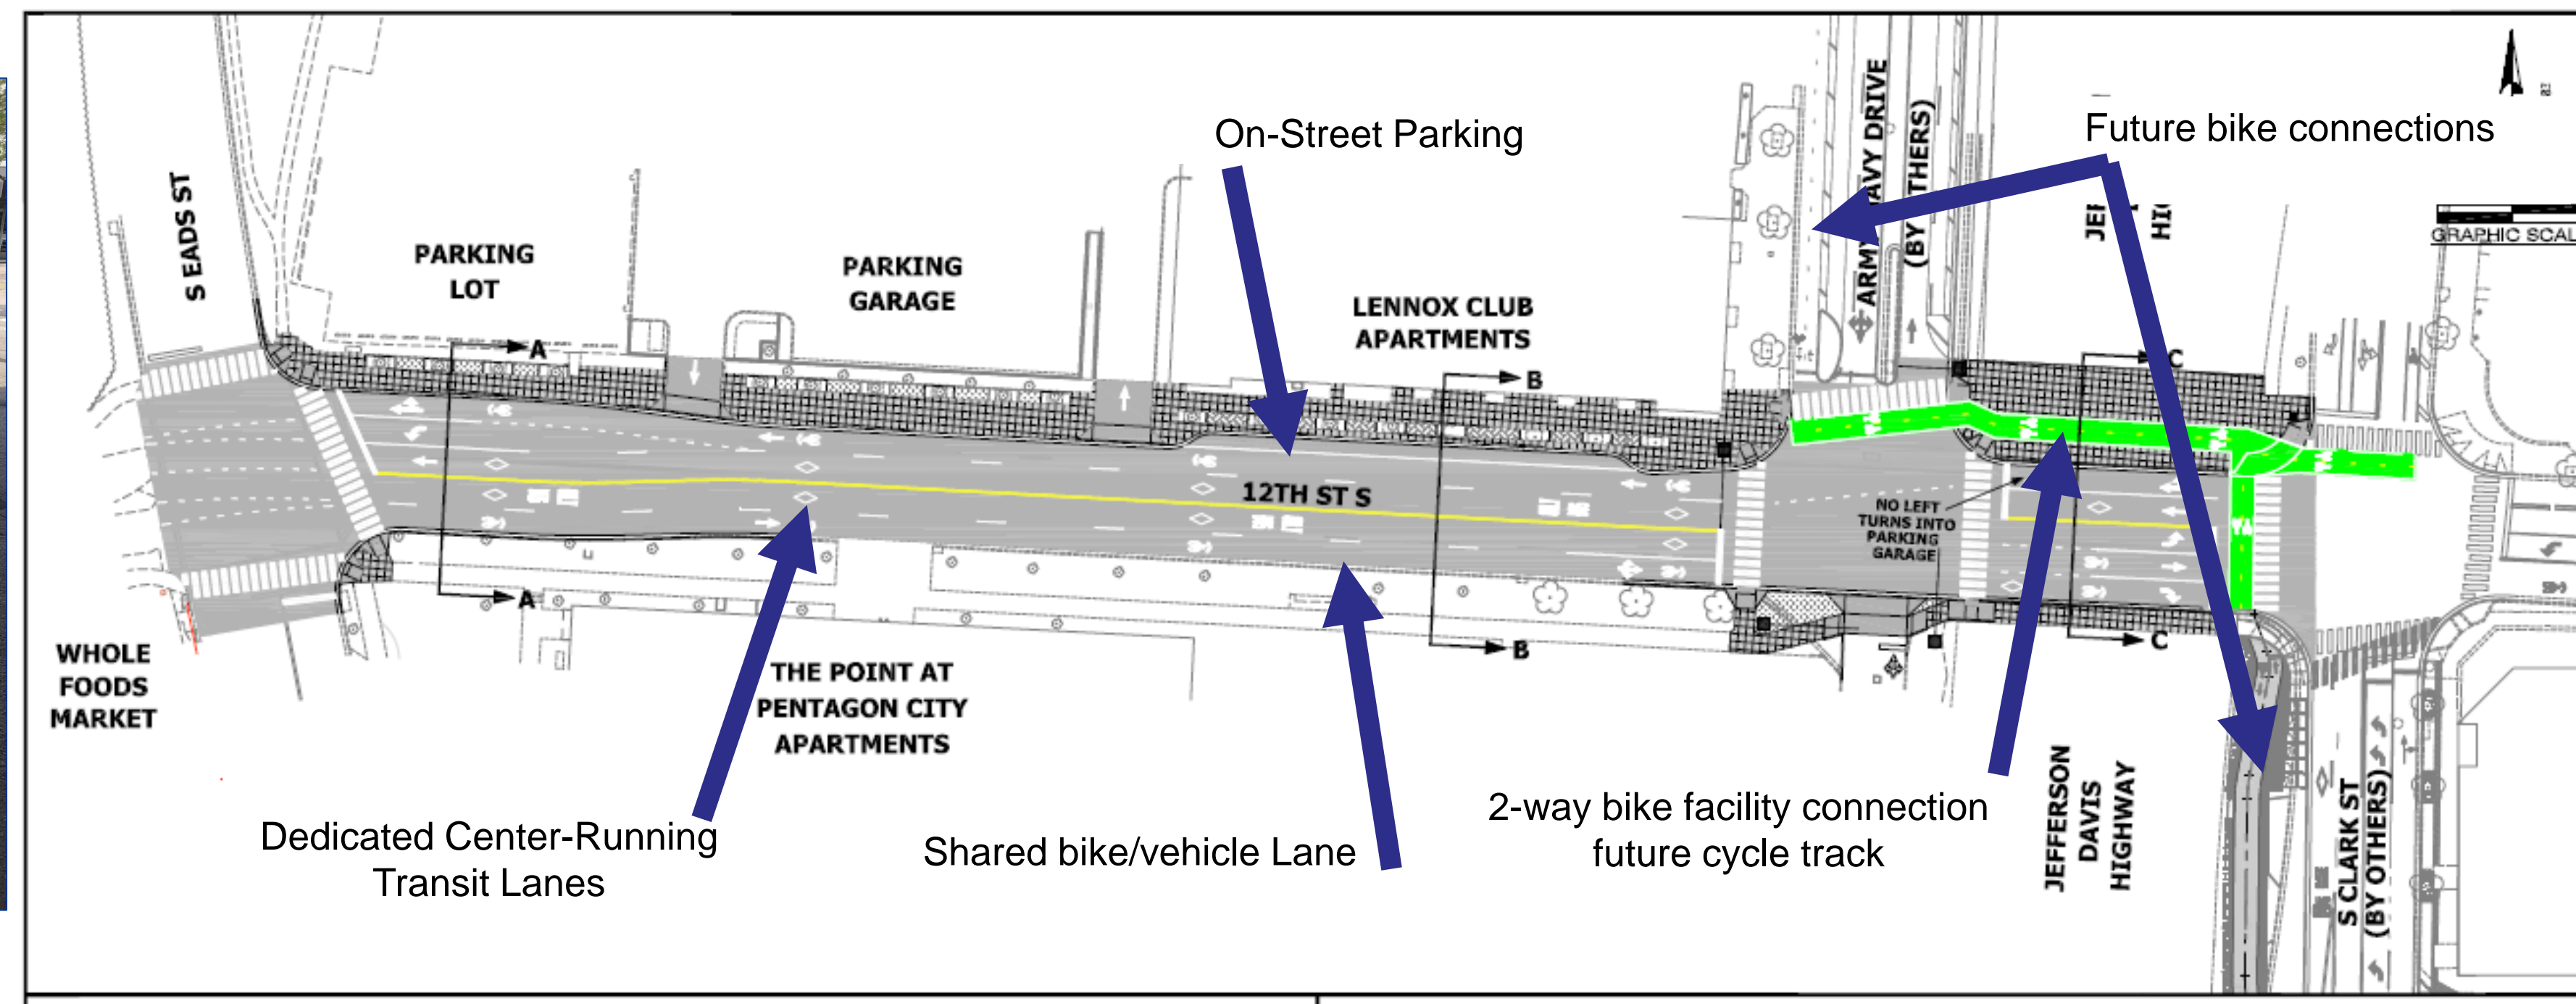

ARLINGTON  
VIRGINIA

Arlington County Department of Environmental Services

Arlington County's Transportation Division is seeking your input on the future of S. 12<sup>th</sup> Street from S. Eads Street to S. Clark Street as we plan to reconstruct it into a part of the future Transitway extension to Pentagon City.

South 12<sup>th</sup> Street Existing Condition

30% Design Proposal

Dedicated Metroway lanes in Potomac Yard

**Project Area:**

South 12<sup>th</sup> Street between S. Eads and S. Clark as depicted by the adjacent Map.

**Design and Construction Timeframe:**

Design through early 2018. Construction 2019-20

**Community Comments Requested:**

The County needs your comments on the proposed S. 12<sup>th</sup> St. improvements. The design is at the 30% complete level, and this is the time to voice your questions and concerns before the County moves forward towards design completion.

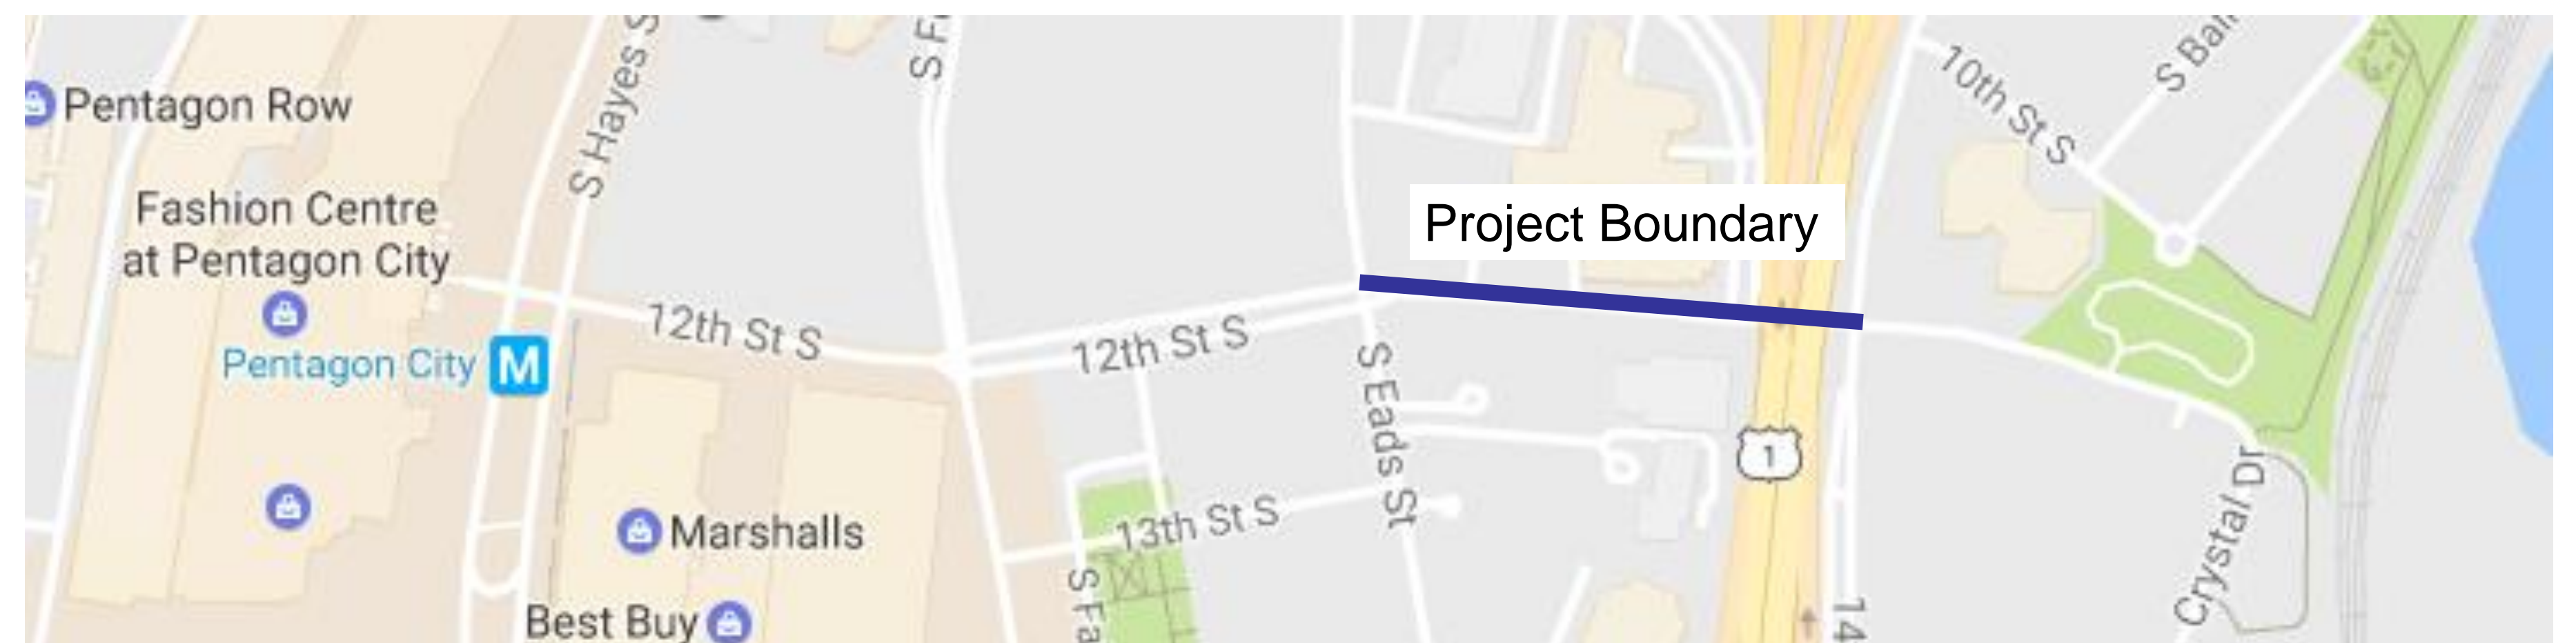

**30% Plans, Comment Sheet and Contact Information:**

Please visit [www.arlingtonva.us](http://www.arlingtonva.us); search "12<sup>th</sup> and Clark" to view the project plans, submit your comments (due by April 21), and sign up for project updates.
