

**POLICY GOVERNING ELECTRONIC PARTICIPATION IN MEETINGS FOR
ARLINGTON COUNTY ADVISORY GROUPSⁱ**

Adopted by Arlington Commission for the Arts February 22, 2017

Occasions may arise when a member of an Advisory Group is unable to be physically present at a meeting. Under certain circumstances, Virginia law permits members to participate in meetings through electronic means such as telephone and video conferencing. The law limits the instances in which this may occur, prescribes procedures that must be followed when a member participates in a meeting through electronic means, and requires that a written policy governing such participation be adopted. This Policy, as hereafter set forth, sets forth the instances when a member may participate in a meeting electronically and the procedures that apply.

Circumstances When Electronic Participation Is Permitted

An Advisory Group member may participate in a meeting through electronic means from a remote location not open to the public under the following circumstances:

1. (a) A member shall notify the Advisory Group Chair on or before the day of the meeting that such member is unable to attend the meeting due to an emergency or personal matter, and shall identify, with specificity, the nature of the emergency or personal matter. The Advisory Group shall record in its minutes the specific nature of the emergency or personal matter and the remote location from which the member participated. If the member's participation from a remote location is disapproved because such participation would violate the provisions of this Policy, such disapproval shall be recorded in the minutes.

(b) Such participation by the member shall be limited each calendar year to two meetings or 25 percent of the meetings of the Advisory Group, whichever is fewer.

2. A member may notify the chair that such member is unable to attend a meeting due to temporary or permanent disability or other medical condition that prevents the member's physical attendance. The Advisory Group shall record this fact and the remote location from which the member participated in its minutes.

Procedural Requirements

Participation by a member of the Advisory Group as authorized above shall be only under the following conditions:

1. A quorum of the Advisory Group is physically assembled at the primary or central meeting location.
2. The Advisory Group makes arrangements for the voice of the member who is participating remotely to be heard by all persons at the primary or central meeting location.
3. This Policy shall be applied strictly and uniformly, without exception, to all members and without regard to the identity of the member requesting to participate remotely or the matters that will be considered or voted on at the meeting.

ⁱ Based on the "Policy Governing Electronic Participation in Meetings" adopted by the Arlington County Board on July 24, 2014. Modified to extend to all Arlington County Board Appointed Advisory Groups.
